

Application No.: To Be Assigned (divisional of 09/813,076)
Preliminary Amendment dated December 4, 2003
Attorney Docket No.: 3436-013 DIV

Remarks/Arguments

During the prosecution of the parent application, it has come to the applicant's attention that the specification at pages 6, 8, and 11 erroneously refers to a "Fig. 2k" instead of Fig. 2j. The specification has been amended to correct this typographical error.

New claims are also provided which define a housing in which a seal is provided between a housing or casing part and a printed circuit board. This feature of the invention is described at page 12, first full paragraph.

Applicant hereby requests that this amendment be entered into the record.

Dated: December 04, 2003
New York, New York

Respectfully submitted,
